COMMITTEE MEMBERS: Andrew Greene, Gary Feltmate

## ENTRIES CLOSE AUGUST 20TH

Address entries to: Box 773, Pictou, NS, B0K 1H0

### RULES:

1. Entry fee of \$0.50 per exhibit must be sent in with entry. Any entry not accompanied with this fee **will not** be accepted.
2. All exhibitors are asked to please **mark** the wing band numbers of the coop tags before placing the bird in the cage.
3. Birds will be fed and cared for by attendants.
4. The committee has the right to reject any exhibits of inferior quality or those showing signs of disease.
5. Only those breeds mentioned in the American Standard of Perfections will be recognized and the Judge will in all cases be governed by rules of such Standard.
6. Coops will be provided by the exhibition in which all birds must be shown not more than two in a coop, except a trio.
7. In large fowl, classes are provided for: "A" for cock; "B" for hen; "C" for cockerel; and "D" for pullet. In all Bantam and Waterfowl classes there will just be classes for male and female. In Bantam and Waterfowl classes exhibitors are limited to 2 males and 2 females.
8. Poultry will be received up to 9:00 am on Wednesday September 4th but no later. All entries must remain on display until 5:00 pm on Sunday September 8th.

### NOVA SCOTIA POULTRY SHOW HEALTH MONITORING POLICY

Poultry shows represent a means of disease spread from flock to flock. The Dept of Agriculture has been requested by exhibitors to establish and enforce minimum standards of health at shows under the provincial jurisdiction of the Province of Nova Scotia. For this reason, the policy divides poultry according to biological order, and policies vary with orders.

Biological order and species are as follows:

Anseriformes - ducks, geese, etc.

Galliformes - chickens, pheasants, etc.

Columbiformes - pigeons, doves, etc.

1. All birds entered in the show will be individually inspected by the Dept. of Agriculture, Show Supervisor, prior to being placed in their coop.
2. Health Certificate signed by Dept. of Agriculture with wing band number of the bird will accompany all galliforme birds. Out of province birds will bear identifying bands of their provenance or state or origin. The health certificate will indicate all birds in the home of the flock were tested for Pullorum diseases within one year of opening date of show, and that all flock members were vaccinated for Lacryngotracheitis by the eye drop method no less than 30 days or more than 365 days before the opening of the show.
3. No bird may enter the show facilities without the approval of the Dept of Agriculture Show supervisor.
4. Decision to refuse admittance of an entry to the show because of poor health can be appealed to the Dept. of Agriculture Veterinarian. His/her decision will be final.
5. All mortality and birds showing poor health during the show will be reported by the show manager to the Dept of Agriculture Show Supervisor. The Show Supervisor will inspect these birds and if he feels it is warranted, he will remove them from the Show and dispose of them by appropriate methods.
6. Show Management and Exhibitors are responsible for accounting for all birds to Show Supervisor.

7. No bird can be removed from the Show prior to the end of Show without written permission of the Show Supervisor.
